About

We use the extraordinary and powerful tool of music to serve the church by raising and sending out people & songs on repeat.

People & Songs is a unique and eclectic group of worship leaders, musicians, and songwriters. However, People & Songs is so much more than just a music group. The group represents a movement - a paradigm revival of the Church. The voice of the capital "C" Church must be heard again.

Our passion is to equip the church with songs of truth and to see the Bride sing Her way home.

Our mission is people.

We believe in community, and our community is made up of local Church songwriters, artists, and worship leaders. According to Eph 5:21 we submit our individual stylistic bents and denominational preferences to allow our talent and creativity to become the tools with which we love and unite as one. Our prayer is that we would use our gifts to applaud and serve others rather than seeking applause and service from others.

Our method is song.

We are songwriters who love and respect the song of God and the song of His Bride. We exist to release song from every believer within our sphere of influence. We understand the powerful tool of music and use it as stewards. We are passionate and dedicated to writing scripture on the heart of people with the indelible ink of meter, rhyme, and melody. Our songs arm the Bride of Christ with Her own voice and, through the songs we write, provide corporate opportunity to unify by lifting One voice, as One church, to One King.

OUR PEOPLE

JENNIE LEE RIDDLE
FOUNDER

JENNIE LEE RIDDLE is a passionate songwriter, conference speaker, team trainer and worship servant. She is the founder and operator of PEOPLE & SONGS and THE EMERGING SOUND, and co-owner of www.analyzemysong.com. Jennie is perhaps best known for authoring Phillips, Craig and Dean's #1 hit single "Revelation Song" that she wrote in 1999 and was first recorded by Kari Jobe in 2003. The Lord used that song to uncover her songwriting talent. As a result, She has been honored as a seven-time Dove award nominee and three-time Dove award winner, top 10 CCLI songwriter, multiple BMI award winner for top 25 radio, and two-time gold certified songwriter. Jennie has also co-authored several title cuts and singles that are favorites, like "When The Stars Burn Down." by Phillips, Craig and Dean, "Psalm 46 (Lord of Hosts) by Shane & Shane; "Hope of the Broken World" and "More and More of You" and "I Got Saved" by Selah; "Mystery of Faith" by Glen Packiam; "One True God" by NewSong; "It Is Finished" by Matt Papa; "The One That Really Matters" recorded by Dustin Smith as well as Michael W Smith and Kari Jobe; "I Stand Before Almighty God Alone" recorded with Worship Mob; and others to name a few. Numerous other artists have covered Jennie's songs, including Newsboys; Chris Tomlin; Phil Wickham; Jesus Culture; Travis Cotrell; Superchick; Rebecca St. James; JJ Heller; Jared Anderson; Guy Penrod; Sandi Patty; Meredith Andrews; Travis Ryan; Michael English; Corey Voss; Crystal Yates; Micah Tyler; Charity Gayle and many others.

Jennie's songs have been carried by the largest Christian tours including Passion and Winter Jam and are sung by churches both large and small in most every denomination throughout the world.

With that said, her passion is, and always has been teaching and training others. She states, "I can write songs that may impact my sphere of influence for God and I will do so. However, if I will train other Kingdom pens to do the same, the multiplication effect for the spread of the gospel through music via my life could be exponential." This single focus has fueled her endeavors and is the impetus behind the ministry of People & Songs. The ministry of The Emerging Sound, and AnalyzeMySong spring from this stream - both of which have been honored by Worship Leader Magazine as "Best Of."

The latest endeavor is the move of the entire ministry to La Porte Indiana to serve the community along with a 30K household full of Emerging Sound missionaries in training. Together they give their time to the local body of believers by serving the ministerial alliance and city government. She says that she hasn't named it yet, but for now they call it TES40week. This program run by Jennie and her husband Darrin is an expansion and formalization of the hospitality and discipling ministry they have enjoyed together for over 27 years.

Jennie's strong calling towards mentoring leaders fostering Kingdom culture, and growing communities of creatives has led her to hold key roles in programs such as GMA's Experience Immerse, The Linger Conference, Experience Conference and others.

She is regularly found in classrooms of all sizes around the US in hopes of inspiring creatives. She travels throughout churches in the United States, Europe, and Asia with fellow writers, artists, speakers, and those she mentors.

Darrin and Jennie have been best friends and married since 1988 and have raised four children, now, all grown adults.

Kevin has been featured on Jimmy Needham's Hymns record where he sang on "Great Is Thy Faithfulness" and was also featured on Charity Gayle's record where he sang on the title track "Lord You Are My Song".

Kevin is a true son to The Father. Their's is a beautiful relationship that was forged in a very difficult crucible which served to make him the grateful servant of the Lord that he is today. As a boy, In August 1995, Kevin's mom (Linda) sadly lost her 3-year bout with cancer and she went home to be with her Savior. A few months after her passing, his dad (Chris) sat him down and painted a simple picture of the Gospel - letting him know who he was as a sinner, BUT who Jesus IS as his SAVIOR (Ephesians 2). At 8 years old, through his mom's death, Kevin surrendered his life to Christ.

Throughout his twenties, his eagerness and obedience to follow Jesus has led Kevin all across the US and to different countries, including South Africa, Zimbabwe, Lesotho, Russia, Mexico, Barbados and Spain. He has had the opportunity to partner up with OneLife and International World Changers, both branches of the International Mission Board, serving missionary field reps. One of the songs Kevin co-wrote with fellow People & Songs brother David Gentiles titled "I Need Jesus" was used as a prayer by David Platt (president of the IMB) over all nations.

One of Kevin's favorite times of the year is when he gets to serve at The Emerging Sound camp. He loves to pour into the younger generation and help point them to Jesus in their songwriting. Kevin helped write 2 songs on The Emerging Sound Vol. 3 album, including "Let Revival Come (Revive Me)" as well as the title track "Never Look Away"

Racial reconciliation is another area of Kevin's heart that he is passionate about. He loves seeing people of all backgrounds, cultures, and ethnicities coming together to worship the One true King. He believes that music is a great "bridge" to help sever division within the church.

Kevin has faithfully used his talents and gifts to share Jesus' gospel message to diverse people groups. His music is a delightful fusion of Soul, Pop and R&B. His unique style has easily extended beyond the confines of genre, denomination, generation and ethnicity with the wide-reaching, cross-cultural, unifying love of God. Kevin is a proud Texan and an even-prouder husband who had the privilege of marrying his best friend and joy of his life, Christina.

RYAN KENNEDY

RYAN KENNEDY is a People & Songs artist and writer based in Houston, Texas. Growing up in Houston—the third largest theatre district in the U.S.—afforded Ryan the opportunity to be involved in musical theatre from an early age. By the time he was a teenager, he was musically directing regional plays; and by 17, he had written an entire Broadway musical, along with an accompanying 22-song score. He staged it at Houston’s famous Theatre Under the Stars, attracting the attention of multiple New York producers. The musical was chosen from a group of over 500 projects to be awarded a large grant funding from the National Alliance for Musical Theatre. The show began to move towards a promising future as plans of moving the production to New York came about in creative meetings with producers, investors, and directors. As the show began further developing towards its off-Broadway run, Ryan’s promising career as a Broadway composer came to a halt when he had a profound, life-changing encounter with Christ. Realizing God was calling Him to write and record music that spoke about his newfound faith in Jesus, he left his musical and career behind to recklessly follow the Holy Spirit and never looked back.

Since then, Ryan has opened for MercyMe, Crowder, Brandon Heath, Jonathan Thulin, Sarah Kelly and Urban Rescue and has toured internationally. After spending more than four years as the full-time Director of Worship & Creative Arts at his home church in Texas, Ryan now, when not on tour, leads worship for the 18,000-member congregation at Woodlands Church.

Known for his high-energy, impactful and exciting live events, Ryan and his band use state-of-the-art technology and innovative sound design to explore the God designed experience of music and message. Ryan’s passion is to see the Spirit of God overtake a room and the joy of the Lord change the atmosphere. Ryan’s music speaks of the unending and eternal hope we have in Jesus and His healing and restorative power in our lives. Landing at the sonic edge where acoustic and electronic meet, Ryan is critically acclaimed for blazing a new path forward past the typical and weaving the ever-changing sonic landscape of music with the never changing truth of the gospel.

In 2016, Ryan attended the GMA Immerse Conference and received the award for Songwriter of the Year. The following year, Ryan was a part of The Emerging Sound and was honored to co-write the songs What I Was Made For, Deeper Still, and Land Of The Living (I Will See The Lord) that will appear on the upcoming album The Emerging Sound Vol. 4. Ryan is so thankful to be a part of such an incredible community and is excited and honored to be officially part the People & Songs family.
